Internship Guidelines

&

Standard Operating Procedure (SOP)

As per the FYUGP Curriculum Structure of Gauthati University

under NEP 2020

(w.e.f.2025-2026 session)

Gauhati University introduced undergraduate programmes in its academic departments and affiliated colleges as per NEP2020 w.e.f. the academic session 2023-24 wherein provision is made in the curriculum structure for mandatory internship of 4 credits.

The GU Examination Regulations, 2023 adapted the definition of internship as

“a course requiring students to participate in a professional activity or work experience, or cooperative education activity with an entity external to the education institution, normally under the supervision of a teacher/ an expert of the given external entity. A key aspect of the internship is induction into actual work situations.”

1. Categories of Internship:

1.1 Category I: Internship for Enhancing employability: To minimize the gap between the knowledge from traditional learning and practical skill so that the graduates attain the required attribute to join a workforce

1.2 Category II: Internship for Developing research aptitude: To provide exposure to actual research environment and develop skills in research tools and techniques including policy framework, IPR, legal and ethical issues.

2. Credits: Total credits to be earned from internships are four (4) with equivalent marks of 100. It can however be split into parts, for example, there may be two segments of the internship with 2credits each or 1+3 credits.

3. Duration and timing of internship

(a) The internship should be completed preferably in the 5th Semester (last date of report submission will be the 3rd week of October of the relevant year).

(b) As defined by the UGC, one credit of internship means two-hour engagement per week, i.e., in a semester of 15 weeks' duration, one credit is equivalent to 30 hours of engagement in a semester. Accordingly, for a four-credit internship a minimum of 120 hours of engagement will be required which should be reflected in the activity logbook.

4. Procedure to be followed for Internship:

Role of the HEIs: Each of the HEI (Higher Education Institute) has to play a crucial role in developing an enabling ecosystem for internship which requires proactive actions. As per the UGC:

- (a) Each HEI should have a Nodal Officer who is responsible for developing need and demand-led verticals as well as expectations from each vertical in undergraduate programmes. The internship must be well-defined, with clear outcomes. It is critical to explore, reach out to, and sign a Memorandum of Understanding (MoU) (if possible) with local businesses, research organizations, HEIs, NGOs etc. as this will aid in training, research, employment, and start-ups.
- (b) To define verticals, HEIs must undertake a survey in the local market to understand the needs of companies and the expectations of students. The college (HEI) may initiate the following procedures.
 - (i) Each of the HEIs will form the RDC which will oversee and coordinate successful implementation of the internship programme.
 - (ii) The Coordinator, RDC will be the Nodal Officer, for the Internship programme. Nodal Officer will take necessary action to execute MoU with relevant organizations/institutions as and when necessary.
 - (iii) Each intern would be attached to an internship supervisor (IS) in the Intern ship providing organization (IPO) and a mentor (faculty member) from the college for a specified duration
 - (iv) Any expenses incurred shall be borne by them (mentee) and college shall not contribute to reimbursement of such expenditures.
 - (v) The list of sectors and details of organizations will be updated in the institution's website.
 - (vi) Orientation workshops/awareness camps will be organized by college at the beginning of the semester's highlighting the need and benefits from internships to the students.
